

PARENT NOTICE OF BIRTH CERTIFICATE REQUIREMENT

Public Act 84-1430 now imposes several new duties on school districts that are intended to combat the problem of missing children.

The Public Act provides that **any student enrolling, or currently enrolled**, in our district must provide:

1. A certified copy of the student's birth certificate
or
2. Other governmental documentation, such as a passport or visa, of a child's identity and age, along with an affidavit explaining the inability to produce a copy of the certified birth certificate.

In order to comply with Public Act 84-1430, Salem Community High School ***must*** have a photocopy of a certified birth certificate for each student entering or attending SCHS. This document must be issued by the County Clerk of the county where the student was born. **Documents issued by hospitals are not acceptable.**

Documents should be sent, or brought to the Student Services Office at Salem Community High School.

SPECIAL NOTE: No student is allowed to register at SCHS without this document on file.
