FAFSA – Free Application for Federal Student Aid

This is **extremely** important and **must be completed** to receive any grants, work-study money or loans. Go to www.fafsa.ed.gov to apply online beginning October 1st.

Check with the financial aid office or online at the college where you plan to attend for further information.

Postsecondary and Military Visits

Two visits permitted for the school year. Please follow student handbook requirements.

Students must get pre-approval and begin the paperwork a week prior to the visit.

College Applications

Apply Early! Apply to most 4-year schools in September or October. Applying later may cause you to miss important deadlines for early admissions, scholarships, housing, or special programs. Apply to KC beginning in February unless applying to a program with an earlier deadline. Check with your counselor or go to www.kaskaskia.edu for more information.

*****See your counselor when you apply online. You must request an official SCHS transcript be sent to complete the application process.***

Dual Credit

Dual credit is Kaskaskia College credit. It is not listed on the high school transcript. Students can access the unofficial KC transcript and current course enrollment by logging into their KC account. Official KC transcripts should be ordered from KC after graduation. There is a fee. The KC Student ID Number is sent in the mail to students who enroll in a dual credit class. SCHS Student Services does not issue or have access to the number. For Help logging in or accessing your account: Call Kaskaskia College Info. Tech. 618-545-3193.

SCHS Student Services

We can help you! Please remember the **Student Services 5 Day Rule**. Always allow 5 school days for us to process any applications, recommendations, etc.
