

Dear Parent/Guardian:

Salem Community High School requires a student's parent or legal guardian, and any student in grades 9 – 12, to acknowledge in writing that they have access to a copy of the school handbook containing the disciplinary policy. The handbook can be viewed and printed from the school's web page, www.salemhigh.com. Additional copies may be requested by contacting the main office at the high school.

Please complete and return this form to the main office. Your cooperation is appreciated.

We have access to a copy of the SCHS Student Handbook. Though we may not agree totally with its contents, we understand that our son/daughter must abide by the rules of Salem Community High School.
